*Gweimui's Hong Kong Wet Markets* Christine Cappio 2019-07-09 Contrary to the general impression that wet markets are smelly, dirty, and slippery, Christine finds that they are actually fun places to walk around and shop. As a French lady, Christine's learning experience has

not been without disappointments, such as being overcharged, given old veggies or pushed to buy more. Nonetheless, in Hong Kong, most sellers are generally very kind. Like in France, vendors remember the preferences of their regular clients. \_e kindness of many sellers help her overcome the fear of speaking Cantonese. They

even take time to explain to her how to cook this and that. It is the warm atmosphere that she loves most. Christine finds it exciting to discover lots of new foodstuffs such as Chinese yam. She even discovers ingredients, such as lye water, a kind of alkaline solution that is not used in Western countries. Last but not least, this book helps us understand the real French lifestyle which often sounds so “elegant” and sometimes “mysterious” to most people, who are curious to know the answers to the following questions: Do French eat foie gras and escargots every day? Do they always have meals that last for ages? Do all French people have a wine cellar full of good bottles? ... and a lot more. Be it foreigners or Chinese people, everybody can explore the wet markets and learn to appreciate their atmosphere and benefits. Using the English-Cantonese vocabulary list and the guide about market specificities, start your own journey right now!

*Mince Pies and Mistletoe at the Christmas Market*  
Heidi Swain 2016-11-17 Christmas has arrived in the town of Wynbridge and it promises mince pies, mistletoe and a whole host of seasonal joy. Ruby has finished with university and is heading home for the holidays to save up for her trip around the world in January. Against her father's

wishes, she takes on a stall at the local market, and sets about making it the best Christmas market stall ever. There'll be bunting and mistletoe and maybe even a bit of mulled wine. But with a new retail park just opened on their doorstep, the market is under threat. So together with all the other stallholders, Ruby devises a plan to make sure that Wynbridge is the first port of call for everyone's Christmas shopping needs. The only thing standing in her way is Ruby's ex, Steve. It's pretty hard to concentrate on saving the world when he works on the stall opposite, especially when she realises that her feelings for him are still there... This Christmas make time for some winter sparkle - and see who might be under the mistletoe this year... Praise for HEIDI SWAIN: 'The queen of feel-good' Woman & Home 'Full of Heidi's trademark gentle charm. Lock the door, pour some mulled wine and settle into this wonderful Christmas treat!' Milly Johnson 'More Christmassy than a week in Lapland - we loved it!' heat 'Sprinkled with Christmas sparkle' Trisha

Ashley 'Give yourself a Christmas treat and curl up with this magical book!' Sue Moorcroft, author of *The Little Village Christmas* 'A real Christmas cracker of a read!' **The Public Work of Christmas** Pamela E. Klassen 2019-06-15 Christmas is not a holiday just for Christians anymore, if it ever was. Embedded in calendars around the world and

long a lucrative merchandising opportunity, Christmas enters multicultural, multi-religious public spaces, provoking both festivity and controversy, hospitality and hostility. *The Public Work of Christmas* provides a comparative historical and ethnographic perspective on the politics of Christmas in multicultural contexts ranging from a Jewish museum in Berlin to a shopping boulevard in Singapore. A seasonal celebration that is at once inclusive and assimilatory, Christmas offers a clarifying lens for considering the historical and ongoing intersections of multiculturalism, Christianity, and the nationalizing and racializing of religion. The essays gathered here examine how cathedrals, banquets, and carols serve as infrastructures of memory that hold up Christmas as a civic, yet unavoidably Christian holiday. At the same time, the authors show how the public work of Christmas depends on cultural forms that mark, mask, and resist the ongoing power of Christianity in the lives of Christians and non-

Christians alike. Legislated into paid holidays and commodified into marketplaces, Christmas has arguably become more cultural than religious, making ever wider both its audience and the pool of workers who make it happen every year. The Public Work of Christmas articulates a fresh reading of Christmas – as fantasy, ethos, consumable product, site of memory, and terrain for the revival of exclusionary visions of nation and whiteness – at a time of renewed attention to the fragility of belonging in diverse societies.

**Menace at the Christmas Market** Sara Rosett 2016-05-04 A Christmas Novella . . . With the holidays nearing, Kate has time off, a rare occurrence for a location scout. The Jane Austen documentary series is in a production lull, and she plans to spend her time searching for the perfect Christmas gift for Alex, which has turned out to be a task as difficult as finding an unspoiled location for a medieval-inspired fantasy series. Kate goes to the local Regency-themed Christmas Market in search of a gift, but a new acquaintance is poisoned. Kate is drawn into the investigation and soon realizes she must discover who wants to make sure she doesn't ring in the New Year. Pick up your copy of this fun, feel-good holiday novella today!
